

Linda3 PODO

LINDA3 PODO Podiatry-chair complies with Directive 93/42/CEE and Directive 89/336/CEE modified with directives 92/31/CEE and 93/68/CEE.

This chair offers independent electrically operated height adjustments, back and leg section inclination movements. The anatomically shaped upholstery is free of edges and seams making it very easy to clean. Simple, easy with remotely controlled adjusted procedure positions.

- **Single piece leg section.**
- **Magnetic leg pillow for easy assembly without the need for tools.**
- **Mobile foot control with 3 programs and "0" position.**
- **Removable debris tray.**
